Our Story

Born from the vibrant spirit of the Aegean and loved worldwide, SORBET ISLAND brings the magic of eternal summers to life.

Founded by Sophia Mamas and Ilias Malamas, our journey began with heartfelt gestures: handmade friendship bracelets crafted for loved ones. As we evolved, our commitment to designing collections that empower women led us to embrace the versatile crinkle fabric, establishing the brand as the inclusive, fashion-forward swimwear brand it is today.

At SORBET ISLAND, we celebrate every unique female silhouette. Our ONE SIZE FITS ALL swimwear is designed to fit every body, from XS to XXL, supporting cup sizes from A to G. Each design captures the beauty of our ever-changing forms.

Guided by values of inclusivity, timelessness, and quality, we challenge the status quo by embracing diversity, crafting pieces that feel as authentic and vibrant as the women who wear them. Now available worldwide, we're redefining summer, inviting you to join us in a world where summer never ends.

Accessories

Inspired by the spirit of the Greek summer and the natural beauty of the islands, our accessories collection is thoughtfully designed to reflect the essence of vibrant coastal living.

Our TUTTI FRUTTI Collection is made with love, crafted from the finest materials, including custom-made glass beads, hand carved cameo charms out of shells, and gold-plated letter pendants. Designed to be as versatile as they are beautiful, many of our necklaces double as bag charms, adding a touch of personality to any look. As with all our accessories, we believe in treating them with love and care, preserving their beauty for endless sunny moments. Each piece arrives in signature packaging—a glass tube with a happy fortune message, reminiscent of cherished moments at sea.

Complementing our swimwear, our new WAVY Neoprene Bag Collection is lightweight, durable, and designed for life on the go. Whether it's a day at the beach or a city adventure, these bags are the perfect companions.
