Mineral freedom

From the hidden beaches of Brazil to the lush rainforests of the Amazon, this theme honors the union of the primal and the exquisite, the botanical and the geological. The rich green of the swimsuit that reflects the luscious canopy, the glistening light on the agate stone, and the allure of a gem discovered along a trail or in a remote cove. Béliza Swimwear honors her with this mineral theme: a raw, rare, and liberated woman.

Nomadic freedom

A breath of jungle on the skin.

a chic nomadic theme with a stylized foliage pattern, embodies the free, instinctive woman in movement.

Its organic colors – khaki, sand, earth pink – recall the tropical undergrowth of South America, where nature reclaims its rights.

She moves forward, feline. She listens to her intuitions. Wild but refined, she cannot be tamed.

Wild freedom

A wild silhouette, a confident look.

This deep, iridescent green theme evokes the instinctive power of the animal kingdom. Its subtle texture recalls the skin of a snake warmed by the sun, or the golden highlights on the fur of a tropical feline.

The Béliza woman does not imitate nature; she is part of it. She moves forward with grace and confidence, sovereign in her own skin, connected to her instincts, to her desire for movement, sensuality, and truth.

She doesn't follow the pack. She is the silent force, the magnetic presence. A freedom that listens, that growls softly. Wild. Elegant. Unalterable.

N E O N T H E M E

Solar freedom

A nod to the 80s, an explosion of good humor.

This neon lemon theme draws its energy from the boldness of the '80s: graphic shapes, vibrant colors, and bold asymmetry. It's made for dancing in the sun, laughing louder, and shining brighter.

Its unexpected cuts enhance the curves, its black jewel adds a retro chic touch.

She is vibrant, playful, uninhibited - like the Béliza woman who celebrates her vitality and inner light.

NIV

Elegant freedom

Deep black, crisp lines, a touch of light.

This graphic theme plays on contrasts: coverage and unveiling, strength and finesse. The gold ties at the back define the silhouette like a delicate jewel—a soft armor for a confident woman.

Effortlessly chic, sensual without provocation, she masters the art of suggestion.

His freedom is that of timeless style, of natural allure, of beauty without artifice.

She doesn't follow trends; she embodies elegance. A freedom that doesn't shout. A quiet strength. A signature.

Craft freedom

The red of fire, the warmth of the South, the light of an endless summer.

The swimsuits in this theme enhance the skin with their sleek cuts and golden macramé straps—a nod to the artisanal skills of South America. Each knot, each tie, tells a story of hands, gestures, and passion.

Between contemporary elegance and nomadic spirit, this piece embodies the freedom of those who dare to use color, material, and contrast.

It is connected to the earth, to the sun, to the women who weave and create. A warm, rooted, precious freedom.

Vibrant freedom

A retro feel, a handmade vibe.

This crocheted duo, combining knits and bright colors, evokes tropical markets, late afternoons by the sea, and naps in the shade of a palm tree. It can be worn over a swimsuit, worn barefoot, or danced to the rhythm of the sun.

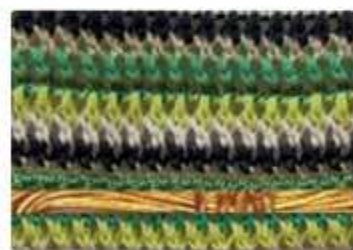

Jungle green, mango yellow and touches of ebony create a free, joyful silhouette, somewhere between beach and city, between dream and reality.

She dresses in light. She mixes the old and the new. Her freedom is vibrant, alive, full of contrast and color.

Sparkling freedom

A soft light on the skin.

This white swimsuit, studded with sparkling crystals, captures the sun's rays like an aquatic constellation. Its understated and refined design reveals a pure, sunny, and ethereal femininity.

It evokes quiet mornings on the beach, intimate rituals, the precious simplicity of a suspended moment.

It is the freedom to shine without excess. To be magnetic without noise. To exist in the light.

She is light. She is silence and radiance. A pure, precious, almost sacred freedom.

Glamorous freedom

A modern heroine, a confident, magnetic James Bond girl.

This theme, with elegant belts cut in subtle lurex, evokes the glamorous and mysterious icon of cult films. It never reveals everything, but powerfully suggests. It's the outfit of a woman who controls her impact.

She enters a party barefoot on the sand, as she would enter a chic casino—free, sovereign, unforgettable.

She doesn't just seduce. She commands the stage. Her freedom is fatal, elegant, irresistible.
